Villa in Sotogrande Alto

This Sotogrande property completed in 2020 has panoramic views stilling the treetop of the Sotogrande G-zone This incredible modern villa sits high above the trees with panoramic views of the surrounding area to the mountains of Malaga and the Seas of the Mediterranean. Hope she has an incredible design feature of a large cantilever deck that hangs out of the tree canopy and encompasses the Terrace area and the infinity swimming pool. Although hipper modern Property has nature at the heart of its design. To this end, glass columns within the house bring light and plants right into the heart of the property. The Villa is distributed over three floors with the living area on the centre of the build and the is the entrance level with covered off-street parking. The property has a water wall with is a gorgeous internal fountain. The property opens out into an open plan living area with panoramic floor to ceiling window and door folding back to the terrace set in the tree canopy. The kitchen is ample and has an internal window to the kitchen garden and space to a dining table as well as a separate pantry. The first floor has 4 bedrooms all a good size and all ensure there is also a family living room on this floor. The lower level has a multi-purpose space to be further developed and additional accommodation with en-suite bathroom and separate access. The is pre-installation for a lift and for audio systems This treetop Gem with south a viewing - contact us !
