Villa in Sotogrande Alto

Elegant and exclusive house located in the upper area of Sotogrande but close to the International School and the golf courses. With well-kept gardens and a large private pool, this house has a beautiful driveway leading to the front door and attached garage. The entrance hall has a double height ceiling, and the living room is spacious and bright with glass doors opening to the pool area. The dining room has access to the modern fully equipped kitchen and glass door to an outdoor dining area. The bedrooms are spacious with built-in wardrobes and elegant marble bathrooms. There is also a beautiful Moorish designed seating area at the end. On the upper floor there is the beautiful master bedroom suite with terrace and another guest room. There is a large plot next to the house large enough to build another villa which can be sold separately.
